### Electronic Record and Signature Disclosure

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

### **Notices and disclosures about using DocuSign will be sent to you electronically**

Please read the information below carefully and thoroughly. If you agree to these terms and conditions of conducting DocuSign electronic transactions with The University of Texas at Austin (we, us, or company), confirm your agreement by checking the box “I agree to use electronic records and signatures” on the DocuSign signing interface. Contact [rms@austin.utexas.edu](mailto:rms@austin.utexas.edu) if you cannot access the full Electronic Record and Signature Disclosure document to your satisfaction.

You have the right to decline to conduct this transaction electronically. If you elect to decline to conduct this transaction electronically, contact the sender of the document by replying to the email you received from [dse@docuSign.net](mailto:dse@docuSign.net) and work with the sender to complete and sign your documents outside of DocuSign. Refer to the section “Withdrawing Your Consent” below for further information about declining to conduct this transaction electronically.

Unless you tell us otherwise in accordance with the procedures described herein, once you have agreed to use electronic records and signatures, we will provide required notifications and disclosures via secure link sent to the email you have provided us.

### **Copies of documents signed via DocuSign**

You can view, download an electronic copy, or print a paper copy of any completed document that you have DocuSigned to transact business with The University of Texas at Austin by using the document link in your DocuSign notification.

The option to directly obtain copies of your completed DocuSign document from the link in the notification email is available for at least 14 days after the notification of completion date. If you need a copy of your DocuSigned document and you can no longer directly access it, you must contact the sender or university department listed as the sender from your DocuSign notification email. Documents will be available from the sender for at least as long as the period required in the University Records Retention Schedule. Charges, if any, for copies will be billed at that time.

[Note that transcript purchases using DocuSign as a method of secure delivery are not electronic signature transactions..]

-

### **Withdrawing your consent**

If you agree to receive notices, disclosures, and documents from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices, disclosures, and documents only in email attachment or paper format. (Please note some transactions may not be conducted via email due to security requirements.) You must inform us of your decision to receive future notices, disclosures, or documents in email attachment or paper

format and withdraw your consent to receive notices, disclosures, and documents electronically as described below.

### **To withdraw your consent with University of Texas at Austin**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

1. decline to sign a document from within the DocuSign signing interface, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
2. send an email to the document sender by replying to the DocuSign notice you received from [dse@docusign.net](mailto:dse@docusign.net) and in the body of such request you must state that you are withdrawing your consent to do electronic business with us via DocuSign and include your email address, full name, and telephone number. We do not need any other information from you to withdraw consent. After withdrawing your consent, you can in the future once again agree to do electronic business with us.

### **Consequences of withdrawing your consent**

If you elect to receive required notices, disclosures, and documents only in email attachment or paper format, it will slow the speed at which we can complete certain steps in transactions with you and in delivering services to you because we will need first to send the required notices, disclosures, or documents to you in email attachment or paper format, and then wait until we receive back from you your acknowledgment of your receipt of such email attachment or paper notices or disclosures.

### **How to contact University of Texas at Austin:**

You can reply to the sender of your document by replying to the notice from [dse@docusign.net](mailto:dse@docusign.net) for that specific transaction. For additional assistance with using DocuSign to conduct business with us you may contact us at [rms@austin.utexas.edu](mailto:rms@austin.utexas.edu).

**For questions regarding transcripts**, contact the Registrar's office at [transcripts@austin.utexas.edu](mailto:transcripts@austin.utexas.edu) or <http://registrar.utexas.edu/students/transcripts>.

### **To advise The University of Texas at Austin of your new email address**

To update your email address with us, send an email message to the sender or university department listed as the sender in your DocuSign notification email and in the body of such request state that your email address has changed; your previous email address; your new email address. We do not require any other information from you to change your email address.

In addition, if you have a DocuSign account associated with your email address, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing email in the DocuSign system.

## **Required hardware and software**

Most modern computers and smartphones will work with DocuSign. DocuSign keeps system requirements for signers listed and updated at this address:

<https://support.docusign.com/en/guides/signer-guide-signing-system-requirements>

Modern desktop and mobile web browsers which accept per session cookies typically support all DocuSign functionality needed by signers. An Acrobat Reader or similar software for viewing PDF files may be needed for viewing completed/downloaded documents.

## **Acknowledging your access and consent to receive materials electronically**

In summary, to confirm to us that you can access this information electronically, which will be similar to other electronic notices, disclosures, and documents that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to email this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices, disclosures and documents exclusively in electronic format on the terms and conditions described above, please confirm your agreement by checking the box “I agree to use electronic records and signatures” on the DocuSign signing interface..

By checking the "Agree" box, I confirm that:
